

NEPTUNE BULLETIN

Grade 1-2 Neptune Ms. Lou

September 20 24, 2021 Vol. 17

From Ms. Lou

Congratulations students! You did a great job during our English Presentation Day and PTC. To our dear parents for their support and cooperation. Thank you.

I am welcoming you all for the third quarter of the school year. It will be an exciting and full of fun phase of your learning journey. But there is lots of work to do. You have to speak and write a lot of English, mainly on subjects taught in English (Life Studies, Mathematics and English). You can do it! And we can!

What we have learned

English

sound and writing letters Ll, Ff, Bb.

Identifying members of the family and different occupations.

Writing short speech about their family.

Life Studies

Learning the parts of a plant

Planting plants with soil and recording its changes. Planting plants without soil (using paper towel) record its growth.

Mathematics

Learning subtraction less than 10.

Practiced using mathematical expressions " How many left?"

Learning English vocabulary on telling the time.

Reminders

Students and Parents

- Homework on WB starter C and notebooks
- Assigned story reading RAZ Kids at home.
- Bring a book at home reading English book in the library or reading corner home.
- Oral and Written English Assessment.
