

# NEPTUNE BULLETIN

Grade 1-2

Ms. Lou

November 15-25, 2021

Vol. 22

## Students in Action

Random pictures of the students collaborating and listening attentively to their classmates during class activities in Japanese and English.

## What we have learned

Over the week, students learned the following.

### English

Practice asking and answering questions about them. Write speech about it and present to their classmates and teachers.

Reading and spelling CVC, CCVCC and CVCC words.

Reading and listening to stories from storybook.

### Life Skills

Reciting the poem "Fall Leaves".

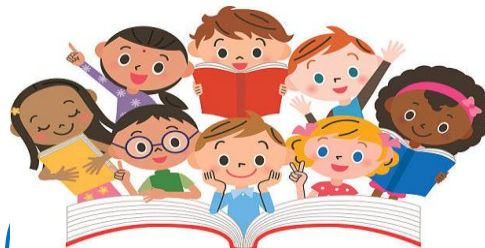

Making a project "Thank you pine hand".

Learning Autumn food in Japan and writing a speech about "Autumn in Japan".

### Mathematics

Comparing things using "long-longer, short-shorter, using the target sentences "Which one is longer? The pencil case is longer than the pencil".

## Reminders

Dear Parents and Students  
I would like to give a heads up on the following:

Bring a storybook home and practice reading.

More reading materials are on the way and will be distributed to practice at home.

Note: The English teacher itself initiates the part of "**Reading Intervention**" for my students.
