## Students In Action

Students were playing "Bato-Bato Pik" during their Life Skill lesson. Bato-Bato Pik is a traditional game from the Philippines. Students enjoyed playing the game while we maintain safety precautions due to COVID-19.

They learned quickly how to play with the use of another language the Filipino/ Tagalog. Such as "Maiba Taya" and Bato-bato pik".

### What We Have Learned

Over the week, the students learned the following:

#### English

TOEFL Listening practice. In preparation for their upcoming TOEFL Test. The students practiced listening and answering from the given situation.

Taking the TOEFL Test- Listening.

The following day students practice reading short stories from their reading materials. Writing practice. (words, phrases and sentences.)

#### Life Skills

Students played several traditional Philippine games such as "Tumbang Preso, Bato- Bato Pik. They have learned the rules in playing those games. And they laughed a lot.

#### Mathematics

Students learned the different kinds of shapes from 2D to 3D. They had chance to be creative and imaginative while making something by using different shapes.

## TOEFL TEST

Dear Parents and Students,

The school has decided the date for the TOEFL Test.

- March 1<sup>st</sup>, 2022- Tuesday did the TOEFL Test - Reading.
- I want to ask the students to keep practicing reading at home.
