

January 2022 Grade 1 English Newsletter

Message from your teachers

Welcome back!

We hope you all had a wonderful Holiday with your families.

We can't wait to hear about what you received for Christmas and what activities you did over the vacation.

Maybe you could prepare a small presentation to show your classmates!

There are only three more months to get ready for grade 2. So let's do our best together. Let's go!

Studies

English

This month's theme is animals. The students will identify and name animals. They will also talk about actions that people and animals do.

Math

We will learn how to do additions and subtractions of round numbers. We will also learn how to count over 100.

P.E.

For January, students will learn different ways to use the jump rope and be introduced to new tag games.

Life Studies

Talking about what we can do to help at home and make a presentation.

Calendar

1st - New Year

9th - Coming of age day (Holiday)

10th - Back to school

28th - Open Research Day

Review

To get back into the groove, here are some things that you can review:

English

- Phonics; You can go through the alphabet and say the name and the sound of each letter.
- RAZ; books from levels aa, A and B.

Math

- Counting to 100.
- Additions and subtractions with answers below 20.
