

# February 2023

## Grade 1 English Newsletter

### Message from your teachers

As usual, the last month has flown by and we can look back on another fun month.

At the start of January, several teachers visited Finland and we got to learn all about their trip.

We also finished our SOLAN forest project and had fun digging outside to lay the path.

With Valentine's day soon approaching, it is the perfect month to celebrate friendship and all the things we love, so let's have another great month together!

### Studies

#### English

This month's theme is the same as last month: animals. The students will have to describe what animals are doing and make a small presentation.

#### Math

We will learn how to tell the time using an analog clock. We will also practice doing additions and subtractions in word problems.

#### P.E.

Students will practice how to throw and catch balls through different games and activities.

#### Life Studies

We will talk about what it means to have good manners. We will also continue to play traditional and international games.

### Calendar

3rd - Setsubun

6th->10th - TOEFL week

11th - Foundation Day

14th - Valentine's Day

23rd - Emperor's birthday

### Review

#### English

- Jolly phonics;
- Kids A to Z books;
- Practicing animal names;
- Practicing action words.

#### Math

- Counting to 100;
- Additions and subtractions up to 100 without carrying.
