Grade 1 English Newsletter

Message from your teachers

It's the last month of the school year. Can you believe it? Time sure flies.

This last year we have seen you grow so much. Not only is your English getting better, but your attitude, your thinking, and ability do so many things on your own has really improved.

We see it everyday in each and everyone of you and know that you will continue to grow and improve even more in Grade 2.

With only 2 weeks left, let's do our best to finish G1 with big smiles and happy hearts!
