ENGLISH PROJECT

“SINGAPORE EXCHANGE PROJECT WITH ZHANGDE PRIMARY SCHOOL”

Our English project for the first quarter involves organizing an exchange program for students from Singapore. Fifth and sixth graders are collaborating to coordinate the entire program. Singaporean students will arrive and visit our school on May 27th, where we'll have a great time together and we'll engage in various activities and cultural exchanges. The students are very excited about the project and eagerly anticipate this special event.
