

SOLAN HARMONY

Singapore Exchange Program

(Friday - May 24, 2024)

“A Day of Cultural Immersion and Friendship”

A key aspect of the exchange program was how it helped students make friends from different countries. The meet and greet session helped everyone feel comfortable with each other, leading to open communication and friendship. Doing activities together, like playing Japanese bingo and having lunch, gave students chances to bond over things they enjoyed.

The Singapore Exchange Program wouldn't have been a success without the hard work of the students who organized it. They put in a lot of effort to make sure everything went well. Thanks to them, the program was smooth and fun for everyone involved. From planning to hosting, their dedication showed in every detail, making the day enjoyable for all.

Each activity was thoughtfully designed to promote learning, interaction, and fun. The program succeeded in fostering a deeper understanding of environmental issues and cultural differences. By the end of the day, everyone had formed genuine connections, showing how cultural exchange can bring people closer together.
