

# SOLAN HARMONY

## Sports Festival

Sports Festival has come and gone! Students worked together to overcome communication and organization challenges in order to successfully deliver an exciting experience for students and parents alike. The lines at their booths seemed never-ending!

Finally, after all their practice leading up to the event, grade 6 took to the "stage" to perform the last dance act of the day. The crowd cheered them on and clapped along to the music. The choreography was unique and enrapturing; the songs catchy and upbeat.

“Embracing Diversity, Creating Harmony: Students Unite for Success”
