## Settling In

Last week, Mr. Osaki wrote about how impressed he was with your independence during the move.

I want to praise everyone for keeping this momentum going! It really feels like there has been a big shift in attitude since the start of the year, and it is great to see.

Recently, I can see you are taking more responsibility for your own learning. You are getting ready faster, helping each other without waiting for me to ask, and making much better use of your time.

## TOEFL

This week, we also had the TOEFL test. I hope you all tried your best!

Please remember that the purpose of taking the TOEFL is just to assess your current English level. It is not something to worry about, it is just a way to see how much you have grown.

# We will value "Purpose" and "Ownership" for you
